TERMINAL DISCLAIMER UNDER 37 CFR § 1.321

Mail Stop Amendment
P.O. Box 1450
Commissioner for Patents
Alexandria, VA 22313-1450

Dear Sir:

Petitioner, Nitto Denko Corporation, the owner of 100 percent interest in and to the above-entitled application, hereby disclaims except as provided below the terminal part of the statutory term of any patent granted on the application which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154 to 156 and 173, as presently shortened by any terminal disclaimer, of co-pending U.S. Patent Application No. 10/946,850 (the '850 application").

Petitioner hereby agrees that any patent so granted on the present application shall be enforceable only for and during such period that it and the above listed patent application are commonly owned. This agreement runs with any patent granted on the above application and is binding on the grantee, its successor or assigns.

In making the above disclaimer, Petitioner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 to 156 and 173, as presently

shortened by any terminal disclaimer, of the above-listed patent application in the event that it later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. 1.321, has all claims canceled by a reexamination certificate, is reissued, or is otherwise terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Title 18, United States Code, §1001 and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

The undersigned, whose title is supplied below, is empowered to act on behalf of the corporation.

Date: April 12, 2006

Respectfully submitted,
